## **The 14<sup>th</sup> Zoroastrian Games**

The Zoroastrian Sports Committee (ZSC) cordially invites you to join us for the **14th Zoroastrian Games** in Los Angeles, California. We look forward to seeing you for yet another memorable event of sports, competition, socializing and meeting with new and old friends beginning on July 2nd through July 6th in sunny Los Angeles. **The 14th Zoroastrian Games will be held on July 2 - July 6, 2014 in Los Angeles, California.** Details of registration will be coming your way soon. If you have questions, please contact us at [ZSC@FEZANA.org](mailto:ZSC@FEZANA.org).

## **A NEW INITIATIVE TO BENEFIT ZAC MEMBERS**

As you know, physicians and surgeons in many communities make themselves available to respond to questions of the members, one on one.

At Dogdo Arjani's suggestion, the ZAC Executive Committee, thought it was a good idea for us to do the same starting in 2014. A few of the Doctors Dogdo has approached, have all already agreed to participate. She is in the process of sending e-mails to all the doctors so that they may confirm whether they would participate and also indicate their medical specialty.

ZAC plans to arrange these informal visits on Sundays before the Ladies Club meetings.

More details will be forthcoming from Dr. Sherri Treasurywala who has kindly agreed to coordinate this service. She will be the main contact with the Doctors and will let the community know details through ZAC newsletters and email blasts.

## **APPEALS**

### **SURAT NANPURA PARSEE ZARTHOSHTI ANJUMAN**

ZAC has received an appeal from the Surat Nanpura Parsee Zarthosti Anjuman to help restore the Rustomji Tamna ni Dharamsala which is in dire need of repair. In this Dharamsala, functions like Navjotes, weddings, cultural programs, get-togethers, and other religious ceremonies are performed and also there are rooms available for shelter at very nominal rates. At present this is the only operational Parsee Dharamsala in Surat. Besides maintaining the Dharamsala, the Anjuman distributes food grains and essential commodities along with monetary help and medical relief to needy members.

They also maintain a Widow chawl adjoining the Dharamsala, which is a 200 year old building, decayed due to passage of time.

Cost of repairs is very high and a donation of any amount from Zarthosti humdins will be greatly appreciated. Checks should be made payable to ZAC, with Surat Nanpura Anjuman in the memo.

*Many of us here in Southern California have ties with Surat. Please donate from your heart!*

### **Appeal from FEZANA Welfare Committee**

I am writing this from the Chicago area, it is cold here, let me rephrase that, it is very cold here and we have to turn up the internal thermostat of our heart to stay comfortable in our bodies. When some in our community are going through a cold stage in life, we need to turn up our internal thermostat of our heart to try and help in whatever way we can. We are working with two different families and we need your help so we can help them even more.

1. A young twenty five year old student who is from India had a brain aneurysm, his parents are here from India and are facing some serious concerns and decisions, and FEZANA is taking care of their boarding-lodging needs. This is the worst possible scenario parents could imagine for their children.
2. A young single lady who is taking care of her elder parents, her Dad passed away recently after sickness and she is taking care of her mother and works twelve hours a day to make ends meet. She had charged for her late Dad's medication on her credit card and will never come out of debt paying twenty to twenty five percent interests on the credit cards.

The first situation we have to help in whatever capacity we can if we call ourselves a caring community. The second situation we want to help as here is a lady who is working hard, living and showing the right values by taking the responsibility of taking care of her parents, and is going through a rough patch in her life. FEZANA Welfare is working with them but we could do a lot more with your help and that is the reason for this appeal.

You can donate: Online at [www.fezana.org](http://www.fezana.org) to the Welfare and Critical Assistance: Welfare Appeal - Feb 2014  
By check, made out to FEZANA with the memo: Welfare Appeal - Feb 2014.

Checks to be mailed to:  
Ratan Mistry, FEZANA Treasurer  
1258 Water Lily Way  
San Jose, CA 95129

We are very grateful for your support in the past and we thank all our helpers who make our work so rewarding.

Houtoxi, Freyaz, Hosi  
FEZANA Welfare Committee

**The 2014 Membership Form is attached and you will notice that we have NOT increased membership at all. Every member, including life members should complete a form and send it in so that we can maintain proper records.**

*There are two important changes to the form this year. We have included a check box for **NEWSLETTERS by EMAIL**. We request members who have access to email to check this box and help save paper, labels and postage. The second feature is an addition to a **DONATIONS** section. You all donate to your favorite causes, so why not make ZAC your cause this year.*

*Life members, we particularly request you to donate towards the maintenance of the Center in addition to any other category to which you wish to donate. It can be monthly, quarterly or annually. This is **YOUR Community Center – your second HOME!***

## **Update on ZAC Center Project**

As many of you know Phase One is now complete. Thanks to the hard work of Sohrab Charna, Rooky Fitter and Noshir Irani the restrooms and the remodeling at the ZAC Center is now COMPLETE. The restrooms look really good and although we all had concerns about taking space away from the Green Room (no longer Green) the kids' room is also looking good.

We are fortunate we have Sohrab in our community who has done so much work and spent so much time and expense to help make our Center really beautiful. We shall be working on getting the permits for Phase Two soon. This will be the building on the newly extended pad outside the Hong Kong Room. You may have seen the pictures and floor plan of our Atash Kadeh in the last newsletter and on the ZAC website (<http://zacla.org/atashkadeh.pdf>). Please help us raise funds for this project.

\*\*\*\*\*

*Monday, February 17, 2014*

*Noshir Irani, Khushru Dubash, Rooky Fitter, Manek and Tehmi Damania put fertilizer in the rose bushes at the Center and saved \$100 for just 2 hours work. We can take care of projects such as these ourselves if we work together.*

We need volunteers for various projects at the Center. Help reorganize and set up the kid's room and the Hong Kong room after the construction. Please contact the committee if you wish to help. Remember it is YOUR Center and it needs work.

We welcome students to apply for the Cyrus R. Fatakia Memorial Scholarship which was created to honor and cherish the loving memory of our beloved Cyrus.
